Dear Councilor:

A Tour of six of the finest gardens in the Pasadena area for the benefit of California Arboretum Foundation, Inc., has been arranged by my committee for February 16-17-18. Full details concerning it will be found in the enclosed flyer.

We are asking the assistance of all of the Foundation's Board of Councilors in publicizing this event and in helping with the sale of tickets. Enclosed you will find ten (10) tickets Nos. to inclusive. Will you please return the money received for tickets sold and all unsold tickets to the Arboretum office? All returns should be in our hands by Wednesday, February 14, at the latest. It is important that unsold tickets be returned, since federal tax will have to be paid on all unsold tickets not turned in.

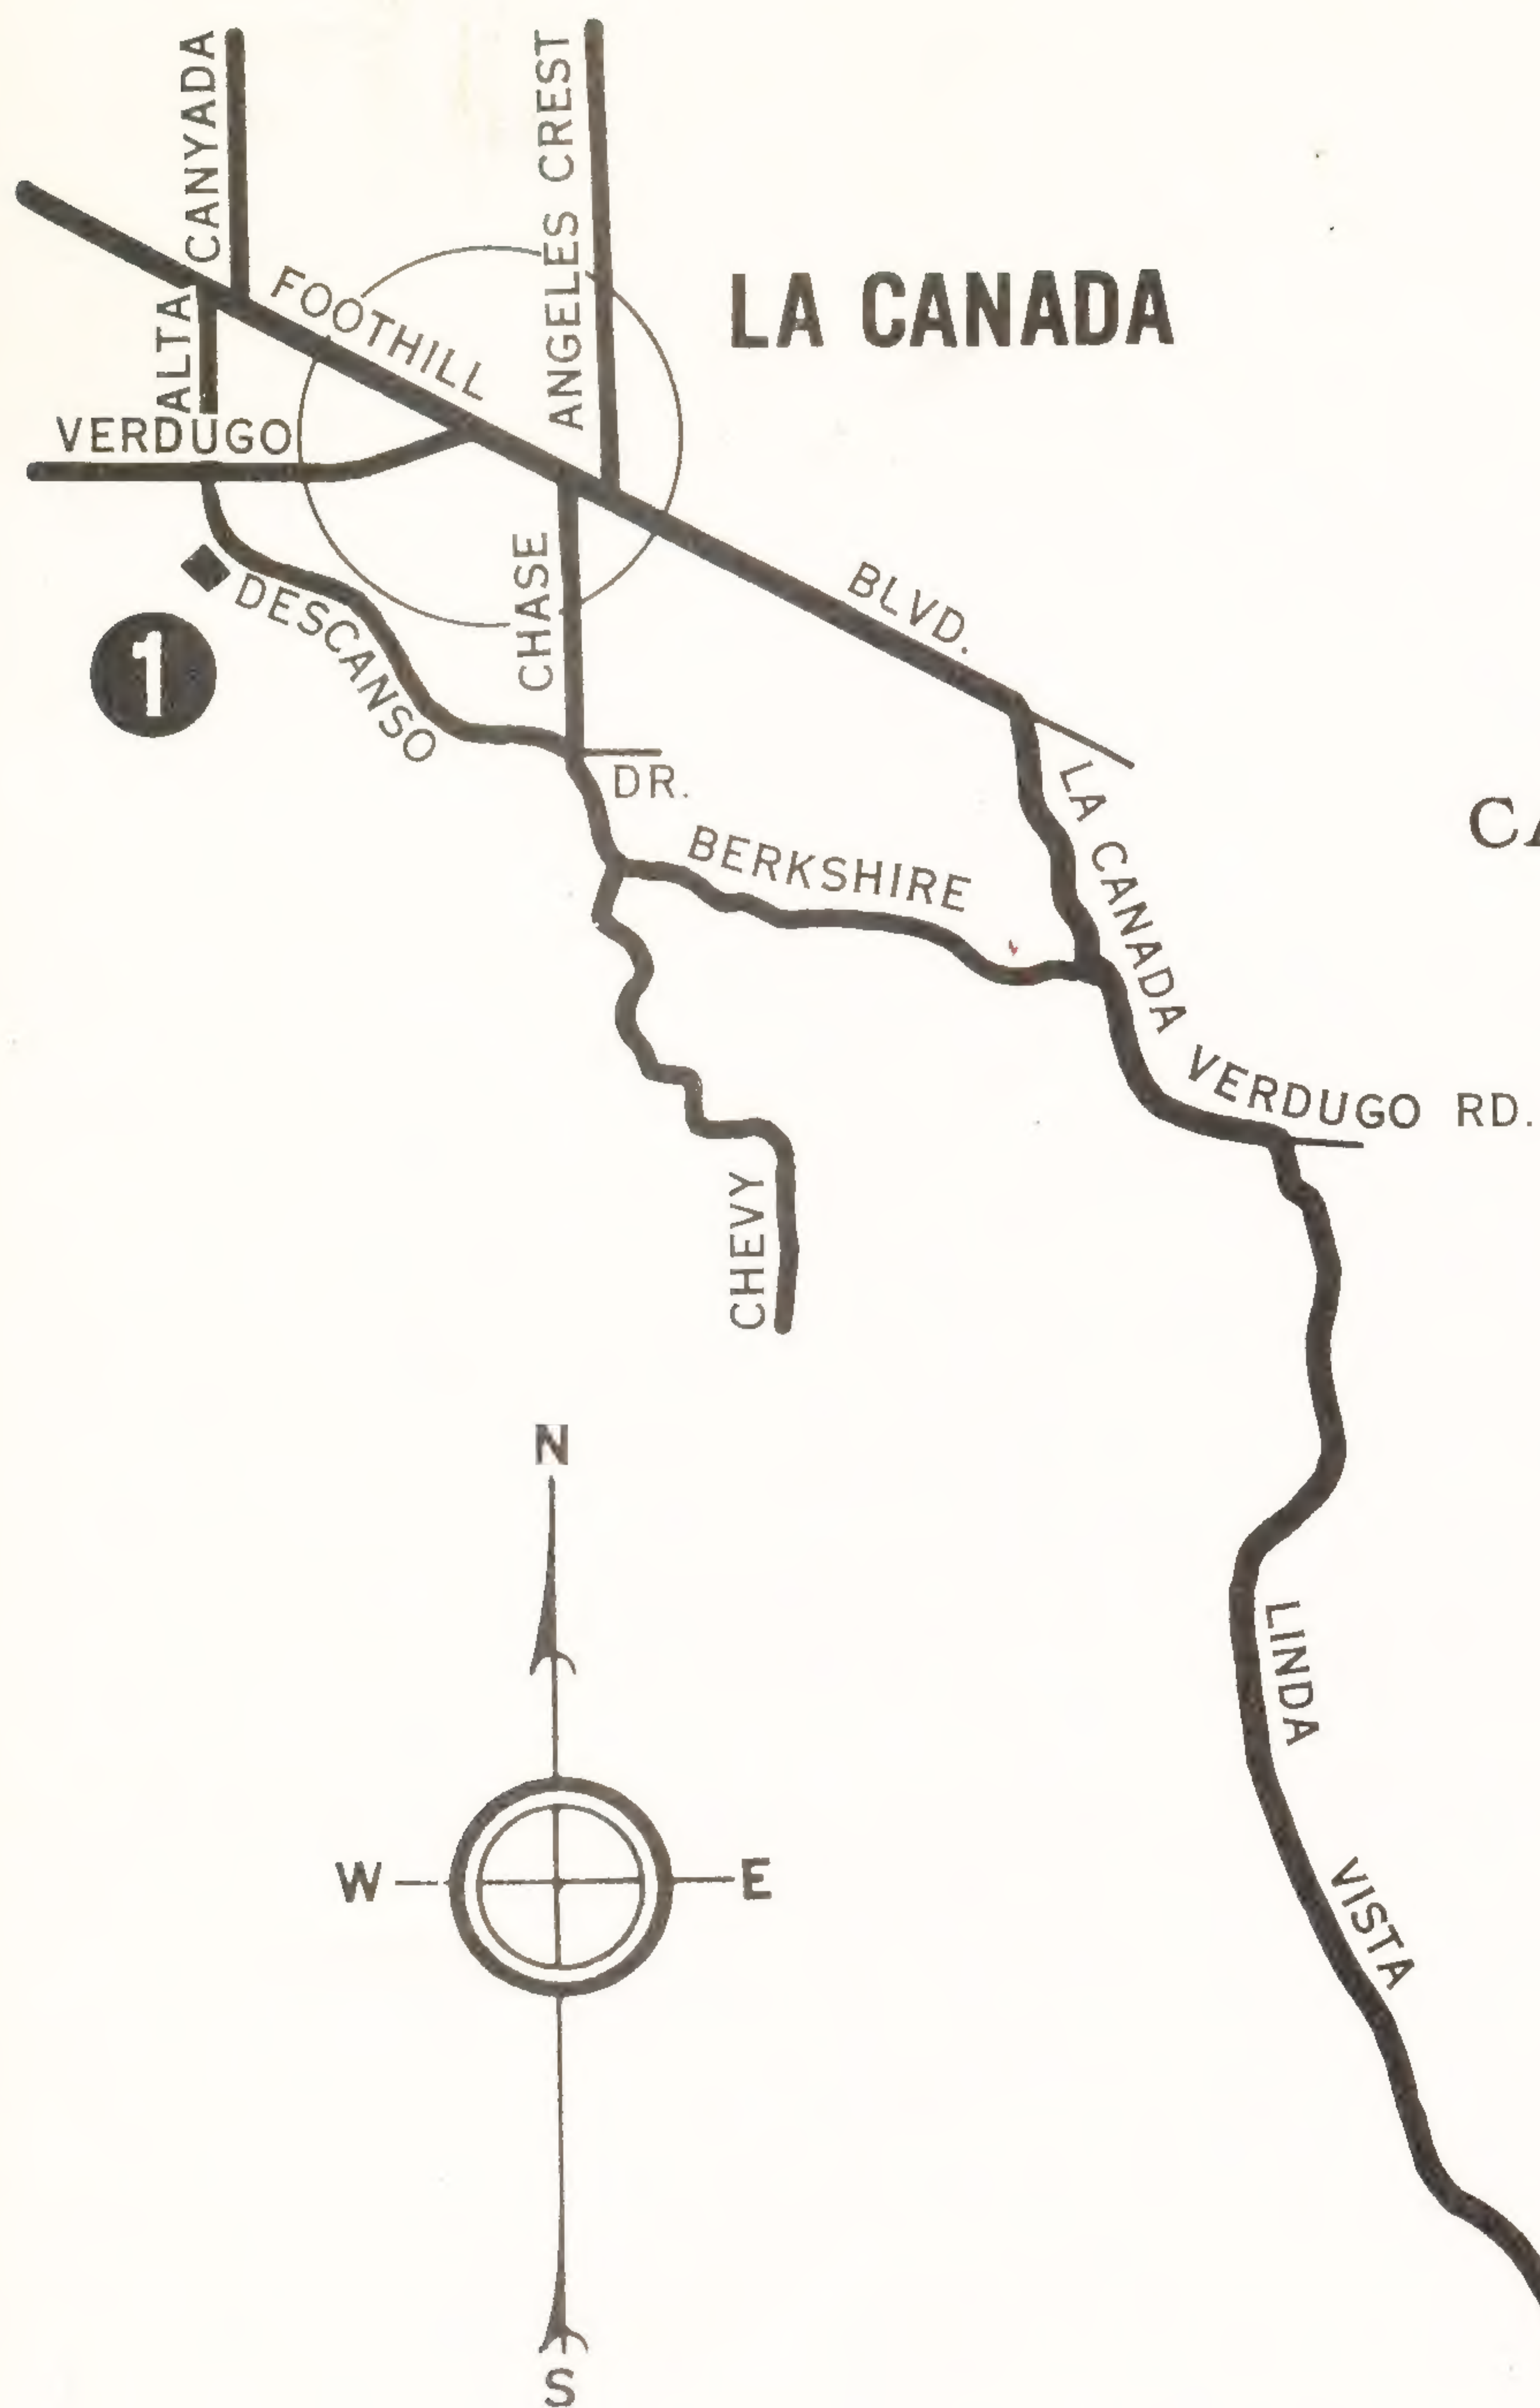

The Garden Club members of the Foundation have been most enthusiastic in their response to our call, and have undertaken to sell a very large number of tickets. I am sure that each councilor will do their best to help insure a successful Garden Tour.

Sincerely yours,

Novellia L. Shearer
